
Dissertation Scholarly Research Recipes Success

creating the problem statement - dissertation recipes - recipes for success select a real problem lthat which is not worth doing is not worth doing well abraham maslow lsimple curiosity is not a good enough reason to do scholarly research, i.e. research for research sake. lthe fact that nothing like this has ever been done before might tell you something. **scope, limitations, and delimitations** - scope, limitations, and delimitations by marilyn k. simon and jim goes includes excerpts from simon & goes (2013), dissertation and scholarly research: recipes for successattle, wa: dissertation success llc
